I Loved grandma Fern, and that's what she was to me. I lost my grandma around the time I met Fern the first time and she gave me that same grandmotherly love that my grandma had given me. I moved away as a teenager and back as an adult and we picked up right where we had left off, by then I had a kid of my own and Fern took her under her wing and loved her just like she had me. What a lovely person she was. The ultimate Grandmother. My heart goes out to you all. I know you will miss her, she was wonderful. You all remain in my prayers.
