“ *Gpa aaron always said I was pretty good when I was sleeping. Also I remember gpa aaron trying to fill a grease gun once. He had more grease on him than in the grease gun. Another time, and funny story, gma betty always had to poke him in ribs, because he was snoring in the middle of pastor fosters' sermon. He would wake up and say "amen". Gma and I would giggle. I also remember waiting in parking lot of swift turkey plant waiting for gma betty to get off work, we would listen to old radio programs. And he took me once in woods to plant walnuts. I carried them in an old burlap sack. Good memories.*
