“ I have so many memories of you such as playing solitaire, good home cooking, to sneaking money from grandpa to give to me in the past. But this past year the memories between you and Ryland and our family will last a lifetime. I feel privileged to have shared your last moments with you! You will truly be missed, but I know grandpa is waiting for you! I will always remind ryland how you would fight everyone to hold him and how you loved him so much! So just do me one favor watch over us in heaven! To my only grandmother I love you and will miss you dearly!!

“ *A Daughter's Promise*

*Every time that I smile,  
Every time that I sigh,  
I think of your face,  
And a tear escapes my eye.*

*You were my world,  
My inspiration and my heart,  
But when you left me,  
I thought I would fall apart.*

*You were my best friend,  
My one true 'confidante',  
And that's not all you were,  
You were also my mom.*

*I didn't want to live without you,  
But you would have wanted me to,  
And if there's anyone I want to make happy,  
That anyone is you*

*I would have given anything to have you back,  
But I know now that it was meant to be,  
For you are still watching from up there,  
And I know you're watching me.*

*I'll make you proud mom,  
I'm going to fulfill your wish,  
You're going to see me and smile,  
That's a daughter's promise.*

“ *You had a great and loving life. You wanted to go and be with Dad and now you are with him. Tell Dad I love and miss him and I am grateful to get to know him before he left! See you both again in Heaven. Love, Katherine*
