“ Aunt Tina was always very generous and took care of me as just another of her large family back in the 60's. My Mom, her sister, was going blind and was going to a school for the blind in Little Rock. Maybe Steve, Mike and Chuck will remember all the boys stayed in the old cabin across the crick that summer and Aunt Tina admonished us for, boys will be boys, peeing out one of the windows. Maybe a little off color, but a fond memory none the less. May God hold her and keep her always.
