“ Dear Tippett family, I'm so very sorry for your loss and hope you'll accept my condolence and deep regrets for I lost my entire family to this enemy death and would like to share where I found comfort and hope at that time. I found this in what I read in Jehovah Gods word the Bible at John5:28,29 where it tells us we'll see our love ones again in the resurrection when Jesus brings them back here on earth and at Isaiah25:8 we're told that this enemy death will be swallowed up forever. With these scriptures and others I'm able to cope with my loss and get through each day because now I know I'll see my love ones again and so can you. I wanted to share this with you now when comfort and hope is needed hoping that this will help you also in some way for this is my purpose in sharing this with you at time and please know that I do share your grief and hope you'll feel free to let me know if this has helped. Hoping to hear from you.
Sincerely, GM
