“ I just saw today that Anna had passed away. I'm sorry I missed her funeral. My husband and I worked at the nursing home many years ago. He was a supervisor there and I was a CNA. I worked with Anna a lot and she was a joy to work with. Sending our condolences to you and your family. Charles and Karon Yohn

“ Anna Jane was my 1st cousin and I knew her best when were young, while they lived in Randolph County. I am the youngest daughter of Bill & Elsie Hayes. She was just 3 years younger than me. Our families got together every chance we could. She was the sweetest girl. I saw her a few times at family gatherings through the years. She was such a hard worker and adored her family, I know she was so proud of her husband, children & grandchildren. I was so shocked by her passing and wish I could be there for the service. You all are in prayers. Netia Olvey (aka Netia May).
