“ As one of the many honoured caregivers of Anna, I can say she will be greatly missed. She was always so welcoming and warm and loved having anyone to stop in and see how she was doing. She found joy in talking about her childhood and her parents and her kids. Loved to look out her window and her laugh was delightful to hear. I'm glad I was able to take care of her for so many years and was blessed to let her know I loved her before she left us. Sorry for your loss, she was a sweet soul.
