“ Artie was always smiling and friendly when you entered Walmart. Her smile and greeting made for a better day. Her kindness will be remembered by many. The family has my condolences. I hope it's not out of place to say this, but I think Artie received some loving care from family members. I admire her family for this loving devotion.

“ Dear Hopper family, At this difficult time I hope you'll accept my condolence and deep regrets for your loss for this enemy death took my entire family and I'd like to share where I found help at that time. I found hope and comfort in what I read in Jehovah Gods word the Bible at John5:28,29 for there it tells us we'll see our love ones again in the resurrection when Jesus brings them back here on earth and at Isaiah25:8 we're told that this enemy death will be swallowed up forever. With these scriptures and others I'm able to cope with my loss and get through each day because now I know I'll see my love ones again here on earth and so can you. I wanted to share this with you now when comfort and hope is needed hoping that this will help you also in some way for this is my purpose in sharing this with you at this time and please know that I do share your grief and hope you'll feel free to let me know if I accomplished my purpose. Hoping to hear from you. Sincerely, GM
