"To my precious daughter Atavia Reign Burasco I'm so blessed to have felt all your little hiccups, ninja kicks, gymnastic flips, and your little ballerina twirls. I wish I could watch you grow and see you do them. You have the most perfect little face, ten little fingers and ten little toes. You have your grandmas nose, your mommys cheeks, ears and hands. You have your daddys curly reddish brown hair, his feet and your daddys little round butt. I wish I could look at you. I wish I could hold you longer. I wish we could've brought you home and everything be ok, but God has decided that you are way too beautiful to be put on this earth. We know you are in a better place. I wish it would've been here with us, but God has other plans. Mommy and daddy love you so very much. Born January 8th, 2021 at 8:55 AM. weighing 4lbs 8ozs and 18in. long. Rest in peace our little guardian angel. Forever our baby you will be. Love, Mom and Dad"

“ We are so sorry for your loss of your beautiful daughter. You don't know me but we have felt your grief. We lost a grandson several years ago. He was so perfect in our arms. But God needed him with him.
Keep your trust in God. Prayers for all your family.
