“ We didn't hear she died until too late to go to the funeral.
I always enjoyed talking with her. She was a nice lady.

“ So Sorry to hear your dear Mother, Grandmother & Great Grandmother has passed away. She and Combs seemed to have the very same interests and so happy! They were our customers for years, Ava attended the E H Club, they both have attended church with us many times. She quilted a quilt for our son with all his classmates names embroidered and she was always doing something for the community. I remember especially her meringue pies and how she burnt the sugar to make her butterscotch pies. She was a joy to us and the whole community. We will all miss her. Am sory we cannot attend the service as Bill is having a really rough time at the present with complications from surgery related to his arthritis but you will be in our thoughts and prayers. God Bless you everyone, Charlene & Bill

“ *To Barbara, Bonnie and all of your family,*

Letting you know that we are saddened to hear of the loss of your dear mother, but happy for her and the grand reunion she is having now! Dale and I have many, many fond memories of visiting your dad and mom on the family homestead, seeing her garden and flowers, enjoying the desserts she had prepared in her kitchen, and just taking the time to sit and visit in such a lovely setting. I will especially remember her kindness and her lovely smile. May God's peace and comfort be on you.
