“ I am so sorry for your loss. Barbara was quite a nut. (in a good way) I remember one time I went to her for my usual perm and frost at the same day and my hair was badly damaged. She was so funny as she said she dreamed she was rolling my hair and it was falling off in her hand right at my scalp. I loved to listen to Barb tell stories about things going on in her life. She was always so cheerful and laughing even when she was so sick. She will be missed terribly by a lot of people.
