“ Marilyn,
I am so sorry to hear about your Mother. Kathy Thompson told me that she was very ill when we came to Huntsville for Jann's funeral last weekend. I didn't realize how much that I would miss my Mom until she was gone. It will be 2 years in August and I still think about her everyday. I think of something that I need to tell her, pick up the phone to call her, then remember that she isn't there. As you know, she is in a better place now, with no pain, and walking with Jesus. You and your family are in my thoughts and prayers.

“ I am so sorry for your loss and since having lost my mom only last week I don't have any profound advice for all of you. Our only comfort for now is that they are in a better place with no pain. My mom had been asking me about Barbara each week so I am sure they are visiting. My prayers to all of you.
