“ Kay and I are thinking of you in your time of grief.

*Aunt Glad was an a very kind and caring person.*

*I have wonderful memories of the times our family spent with her and Uncle Til on the farm. They were great experience for a "town" boy.*

“ Kay and I are thinking of you in this time of grief. Aunt Glad was one of the most kindest persons that I have known.

*I have so many lasting memories of the times we spent at Drake's Creek with Aunt Glad and Uncle Til (including riding a horse on to the back porch!). She provided Steve and I (two town boys) with unforgettable experiences on a farm that have stayed with us forever.*

*She lived a long and meaningful life and influenced so many people in such a positive way.*

*I am sorry that I can't attend the service, but Stephen will be there.*
