“ I spent many hours in Bertha and Odell's home, visiting with my friend, Polly. Bertha was so kind to me. So very kind. She gave me a kitten that I called Buffy and loved for years. I always felt at home in their home, and that feeling was due to the family that Bertha helped lead. I remember clearly the last time I saw Bertha. She gave me a big hug. I am sorry for the family's loss. There is so much comfort in knowing that a better world awaits.
