“ *My Dearest Mama,*

Every day I miss you and Daddy more. I am so lost and empty without you. Selfishly, I wish you were still here, but I feel you both watching over us in your loving and caring way.

I look forward to us being together as a family again. I am blessed to have had such wonderful parents and role models. I will do my best to be the person you raised me to be and to make you proud. You are always in my heart and soul. I love you eternally. Teri
