“ I would like to express my condolences to you. I am so very sorry for your loss. There will come a time when death and mourning will be no more. (Revelation 21:3,4) This is what our loving God, Jehovah, has promised. We also have the hope of seeing our loved ones again. (John 5:28,29) You can build even more beautiful memories together. May those verses bring you some comfort in your time of mourning.
