“ Carol and family. First and foremost, thank you for sharing Bill with us. My years working with him have always been some of my favorite and now my most cherished. Some of my favorite conversations with him included but not limited to: Catherine, the sweetest, brightest and most beautiful granddaughter in the world. He was absolutely in awe of you. Music, specifically jazz, blues, R&B he deepened and broaden my love for music (re the Etta James pic). He taught me how to write in a business perspective and always was a ball to work with. He also taught me how to vote a straight democratic ticket. You all will be in my thoughts and prayers. I am so deeply sorry for your loss. I know he dad and Jon are unbelievably happy to be reunited.
