“ We were saddened to read of Bill's passing and regret we were unable to attend his memorial service today. We are thinking of you with love and prayers. As we think back on childhood memories of the Kingston Church, we remember Bill as a quiet man with a steadfast, giant sized faith. Trusting warm memories fill the empty space in your hearts. When we drive through Kingston, the Bill Grigg family is one we remember with a smile.

“ To Bill's Family: Bill was another Cornerstone of the Kingston Community. This is the impressions he left with me as I was growing up and living in Kingston, going to school with Kathy and Gary and working with Kathy as well: raised his children with morals, fair in his business matters, great provider for his family, God fearing; assisted community member when needed, loved Charlene. Bill always had a story to tell when one had a looonnnnggggg time to listen. :)Prayers for the family.
