“ My heart aches for you and the kids. Billy was so full of life and joy that it's hard to think of a world without him in it. You two had a special bond, and it will be hard for you to go on without him, but try to concentrate on the good parts ..the time you had him in your life. Go thru photo albums and let the memories wash over you. Know that God is with you and we are all praying for you. I love you Earline and pray for God to gather you under His feathers and protect you.

“ So sad, so young. I knew him as a small boy. He looks so happy in the photo. I knew his dad as he was a friend to my dad, Guy Whorton.
