“ Bob is truly missed. Been a very important role model in my life and to know the man has been a blessing to me. He sure did light up and play with Banjo our son, when we would stop by and visit Mom and Bob. Banjo just loved playing with Bob. So sorry for the loss. Rest in peace Bob

“ Wishing you peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your hearts. Bob was an entertaining person, many funny memories of him when I lived over there. I remember when he decided to paint his pickup with a broom and let's not forget the goat story.
