“ *When we were kids playing outside us girls would hide from the boys. Brady would not give up until he found us even when it would get dark.*

“ *My brother, Brady was a special and talented person. He had a good heart even though he had difficulty, he had a positive attitude. One morning I was getting some milk out of the refrigerator and it spilled all over the floor, Brady got right up and helped me clean it up. I love Brady dearly. I know he is in heaven, a better place. He will always be in my heart.*

“ *I miss my brother so much. I wish I could have hugged him and told him I loved him one last time. I was thinking of a child hood memory. One day before we got on the school bus he decided to cut off his eyelashes and he really looked funny. He told me that he was tired of everybody telling him how cute he was and didn't want to be cute anymore. That's him just so fun to be around. Love you Brother.*
