“ My family and I would like to express our deepest sympathy over the loss of Brandi. May you find comfort in your loving memories and the warmth of family and friends. A scripture that has uplifted many who have experienced such a loss, is found at Revelation 21:4. There it describes a time when death and pain will be gone forever. We will even see our loved ones again who we have lost in death (John 5:28 & 29). It is our hope that these words bring you a measure of comfort during this difficult time as well. Once again, please accept our condolences as you deal with your loss.

“ I am so sorry for your loss. Brandi was always so sweet and had a good heart and cared for so many people. I can't imagine losing a child, sister, mom, Mimi, or wife at such a young age. But God called her home and has her in his loving arms and she is out of pain. Rodney I know how hard this must be hard for you. You and Brandi were always so close when we were in school! My prayers and love are with you and your family. If you need anything even just to talk I am here. She is in a better place, pain free and will always be watching all her loved ones from heaven above.
