“ There was never a time my grandma wouldn't make me food. Literally everytime I went to spend time with her 🥺☐ all she ever wanted was to spend time and talk with me, and I can't believe I wont receive anymore calls from her asking me what I'm doing, and the happy feet she got when she saw me pulling into the driveway. I can't comprehend that you're really gone☐

“ Brenda was a lot of help when we had our babies they are just a month apart and we were at each other's house a lot. She helped us move when we moved to Oklahoma when the kids were about 6 years old. And she was such a good cook
