“ So sorry for the great loss and pain you all are going through right now. If everyone would strive to be as humble and kind as Bud, this world would be such a better place. My heart aches for you as you must find a way to go on. So blessed to have known Bud, as family, and as friend. They just don't make them like Bud much anymore. God is good for sharing Bud with all of us.

“ *Bud held a special place in my heart. He was very honorable, and when he told you something, he meant it. He was the kindest man and willing to do anything for anyone day or night and never asked why. Always helping and thinking of others instead of himself. He was a very special person, we need more people in this world just like him. Bud, thank you for your guidance and for all the memories. Dianne, your love, comfort, compassion and support through this was incredible. Our deepest sympathy, and our prayers to the family. Rest in peace. Bud, we will miss you.* ”
