“ was sorry to here of the passing of Mr. Gibson. My maiden name is Garrett and my father was Roland Garrett. I'm certain mr. Gibson and his brothers knew my father in the 60's. if you seen any of the boys in town, they always spoke to us. My mother said they knew daddy from maybe playing music with him. Anyway, I will always have the memories of being in Hunstville and seeing Mr Gibson and he Always said hello. We are all getting older and we cant stop time but we have the promise of a better place to go to.

“ *I am so sorry for your loss.*

I didn't know Burl very well except that he was a nice man. I met him during the time I was at Terra Studios and he came in and brought wood roosters for the gift shop. I would see him off and on over the years after I left Terra, and he always remembered me and we had a few words in friendship. May the Lord give you peace and comfort during this time of your great sorrow.
