“ Hi Mary Lou and all of the Bjornstad Family,  
After the last reunion, Carl called to catch up and we exchanged  
calls several times and chatted about old times, and had good  
laughs about stupid and fun things we did growing up. He will be  
missed by everyone whose life he touched.

“ Our thoughts and prayers are with your family and with Carl. I  
remember a lot of funny and fun times with Carl in school in Cando,  
ND. I spoke with Carl a couple of years ago, it was a real pleasure  
to hear from him. May God give your family strength in this very sad  
time.

“ *Dear Bjornstad family,*

*I was a high school classmate of Carl's. So sorry to hear of his death. I always liked Carl. I remember the time in the 5th or 6th grade that he brought toothpicks soaked in peppermint schnapps. We of course all partook but Carl got into trouble. Again, so sorry.

“ To the family of Carl~ my thoughts and prayers are with your family and for Carl at this difficult time. I am a high school classmate of Carl's. He was always smiling and a very kind person... I visited with Carl shortly after our last class reunion and he expressed how proud he was of his family. From that conversation~ I know his family was very important to him. We laughed about some of our old high school memories and even some from grade school... it was great to visit with Carl and I treasure his contact. Time and faith are great healers, hold fast to the memories. My sympathies~ Erin Elsperger Klingenberg

“ Monte and I express our sadness in Carl's passing. I always remember how he interacted with our kids as he was only four years older than Marcia. I have such a cute picture of Marcia and Carl sitting together in a chair at Dad's & Joyces when we stayed for a week or so one winter. Of course, he had his 'cowboy' attire on.

*We have prayed many prayers for your whole family during this time.*

*God be with you all*
