“ Henry, We just learned of Carole's passing and are so sorry for your loss. We'd tried to call many times over the last couple of years and became concerned when the phone number no longer worked. Have always thought so fondly of Cousin Carole. Her loyalty to family & friends and wit will be missed by all who knew her. Hope you will keep in touch with us in the future.

“ Dear Priscilla and Joshua. I am so very sorry for your loss. I know Aunt Carol meant the world to you and you to her also. I am so glad you were able to go spend all that time with her when she had her right mind and was able to talk to you! Having lost Adam to brain cancer I know those times are few and far between times. And with Aunt Carol telling you how much she loved you and was so proud to have you there with her..... that is a God Send Girl! Remembering you in my prayers. I love you my dear friend!!!! God Bless You! You have been a blessing to so many of us through the years!

“ *Carole was the best neighbor and friend a girl could ever ask for. She was our backdoor neighbor. We use to holler at each other when she was outside feeding her birds, which she loved dearly. She will forever be in our hearts even though she is no longer here with us. Henry we are so very sorry for your loss. The world was a much better place with her in it. Dennis and Carole use to discuss the bible all of the time and challenge each other on any given verse in the bible. We loved having her over for supper, I loved cooking and she loved eating and we all enjoyed the fellowship.*
