“ My thoughts and prayers are with you guys during this time of sorrow. I can remember coming to the station with dad (Ewel Beard) many many times, and dad going hunting with Carson out west. Dad thought of Carson as a very fine person and he always enjoyed talking to him and cherish him as a good friend. Just remember God is in control and he will get you thru this and comfort you.

“ *To the family:
I am so sorry for your loss. Carson was a good friend to my dad, Guy Whorton, and always nice to our family. In January 1967, my dad needed blood desperately. He had a rare type. Carson had the same type blood. He heard of the need and was very quick to donate his blood. It was such a blessing to our family. It helped give us 21 more years with him.*

“ Mary, Katie, Jacqueline, and Tyler and family,

I am so sorry for your loss. Just a short time ago, I needed a friend to help me through the loss of our mom and grandma and you were there for me and my family. I don't know when to tell you it will get better or easier but I know without the help of God, my friends and family I could not have done it. Just know that I will be a listener and a friend when you need one. Our thoughts and prayers are with you.

“ Carson was a wonderful man. Growing up with Mary, I remember Carson's calm and quiet personality. Mostly I remember his coon hunting trips and the stories he would tell about them. He will be missed by many in Madison County. My thoughts and prayers go out to Ida and all the family.
