“ Jo, I'm so sorry. I saw on Facebook that Charles died, but somehow it didn't dawn on me that he was your husband. Then by the time that happened the funeral was already over. I've had something similar to the flu and sort of in a fog anyway. Anyway, just know our thoughts and prayers are with you.

“ *Precious in the sight of the Lord is the death of his saints. Charles is free of pain and suffering and rejoicing in Heaven today. I am sure his mom and his grandparents were there to welcome him home and there is great rejoicing around God's throne. I imagine he has given Jeremy a big old bear hug and I can see the smiles on both their faces. I believe he has seen that grandbaby and held him close to his heart. Jo, Scott and family, Shawn and family, I don't believe it will be long till we will join our loved ones in that beautiful place. May the Lord comfort your hearts.*
