“ *Please rest in peace cousin, knowing that you have saved over 3100 homeless and distressed cats with your Blue Moon Cat Sanctuary. I still have that Christmas card you sent me 2 years ago after my first cat --*

Henna -- died. I have it placed where Henna always liked to perch. It was a reminder of how a cat can be always in our hearts and you used a picture of Henna that I had sent you and Larry a few years earlier. That was so thoughtful. It makes me cry every time I read it. May you rest in Jesus' arms with all your saved cats around you.

“Heaven has definitely gained an angel! You and Larry helped me so much. It was a pleasure to correspond with you even years after I was no longer in Oklahoma. You always stayed in contact, sent newsletters. What you did here on this earth was wonderful and amazing, and I sure God has wonderful plans for you in Heaven 🙏
