“ My heart is broken, I hadn't talked with cindi in awhile, and when I went to look her up to see what she's been up to, to my surprise she had left us, we were good friends in Evanston, me with a new baby, a little boy she spoiled rotten, I still have the little razorback outfit she had given him. I want you to know what a good person she was and please let her children know how much I cherished our friendship in Evanston away from our families and let them know, if they are ever in Alaska please look me up and we can share memories of a wonderful person, who I had the pleasure of having her come visit me here in Alaska with her grandparents when I first moved here from Evanston. Sincerely, Michelle
