“ Karen and the Bloomfield family -  
I was saddened to hear of Bud's passing. We were friends from our days as Tulsa Oilers. Bud helped me a lot around "his" town of Tulsa.  
Over the years I have enjoyed our chances to get together in Oklahoma City, Rogers and Mobile to share laughs and memories. He was a good friend.  
Please know that I'm thinking of you and extend my family's condolences to your entire family.  
Sincerely, Bill Wakefield

“ The Bloomfield Family has always meant so much to the Autrey Family. In fact, just the other day I told my 6 year old grandson about the time I accidentally tripped and ended up dropping to much Clorox into the Trout stream. It was a story about working hard, owning up, and forgiveness. We will always cherish and appreciate the Bloomfield family for everything the did for the Autrey Family.  
With Love,  
Norman and Peggy Autrey
