“ Russell and family, I send my condolences on Shorty's passing. I worked with her in the GI lab at the hospital and remember her twinkling eyes, smile and her laugh. She lived life to the fullest and I know there was a celebration when she and Lester were reunited again. Big hugs to all.

“ I knew Shorty from working with her at the hospital. I also worked at Ryan's and Fire Mountain Restaurants and saw her and Lester and their family whenever they came in to eat.

Shorty was a good friend and coworker in GI LAB. Couldn't ask for a better person to work with. Your family is in my prayers!
