“ *Growing up Craig was always around, as a little girl I always wanted to be in the middle of everything. Craig was my brothers buddy but little did I know years down the road when I was a teenager he would become my buddy and watch over me like a big brother and run around with all of us keeping us well entertained lol. There wasn't much he wouldn't do for anyone and I know he will be missed by many. He had a heart as big as anyone I know and I will miss him. Even though the time passes and we don't get to see each other like we once did, I will always cherish the times and memories we had with each other. RIP ol buddy*
