“ *My Mom loved burning brush
She enjoyed being outdoors, she couldn't stand staying inside
She would always eat when she got bored
My Mom loved playing games on the Computer*

*The night before she Passed Away she was playing the computer
an the next thing you know she knocks over her tea glass some of
the tea poured all over the desk my mom was like good thing your
dad isn't here or he'd be cussing me, than I was all like good thing
Avery isn't able to talk plain or she'd " be like Papa Nana got tea all
over computer desk" than it happened again she knocked over her
tea glass again an we both busted out laughing so hard.*

*One day my Mom seen my Dad pull up in the Driveway he had just
got home from work an what she had said cracked me up " she was
like one day me an your dad love one another, than the next day we
hate each other" She than said I AM IN LOVE WITH YOUR DAD,
AN I TOLD HER DAD LOVES YOU AN CARES BOUT YOU, That is
what I told my Mom.*

*Every time my mom would start playing Wheel A Fortune on the
computer Avery would throw the biggest fit an start saying Nana
Nana until my Mom picked her up an sat her on her lap just so that
she could watch the colorful wheel spin around an mess with the
keyboard it would mess up her Nanas game an my mom would
laugh so hard to where she'd almost pee herself*

*O this is the last thing I have to say every time my mom would
cough an have to stop right in her step or she'd pee all over herself,
I'd laugh she'd laugh we would just haveing a good time together.*

*Your a Loveing, caring an most of your the most amazing Mom and
Nana ever.. Love you Mom, Missing you, Thinking of you is all I do
you have a very Special spot deep in my heart where you'll stay..*
