“ Momma, I don't want to believe that your really gone. It's still like a bad dream. Today makes 15 days since my heart was broken and they explained that i'd never see you again. You were such a kind, giving person. Respect Momma, I love you.

“ You meant the world to us Mom. I'm so glad that you hung in there long enough to meet Penelope, she is never going to forget her Grandma. I`m going to tell her your stories, just as you would have. R.I.P
