“ We are so sorry for your loss. May he rest in peace and may y'all find peace in that his spirit lives forever in his children and grandchildren and great grandchildren. Again so sorry. We did not know him but our daughter did and I have heard stories about he was in the hospital one week and working the farm the next week. I truly believe that he lived until he died. My grandson's won't remember him but Trey and Joe will always know that he met them and that is special and a blessing.
