“ *I am very saddened to hear of David's passing. He was the epitome of what a school Principal could/should be. He wouldn't jump to conclusions without gathering all the facts and earned the respect of all the kids in his school. Home football games haven't been the same without his voice! Outside of school, he and Effie graciously had Denise & O'Shara and all of us girls over to spend the night whenever we wanted. My prayers go out for Denise and O'Shara & family.*
