“ Just want you to know that I've been thinking of you and praying for you as I did for David during his illness. May the Lord give you His peace in knowing where David is.

“ It is with sadness that I read of Mr. Griffiths passing. He was my neighbor, always a friendly face passing on the road. He is also one of my favorite childhood memories as the custodian at my school. He always had a kind word to say to me and sometimes a joke to share. Heaven has gained another great soul.

“ I knew Mr. Griffith from the time I was a little girl and he worked at the school. He was always so nice and ready to give everyone a smile. I had the opportunity to work with him some during the summers helping with cleaning the schools. My opinion of him and his wife rose even higher during those summers. Always had a kind word and never heard him speak badly about anyone. He will be greatly missed.
