“ Dad - Well I have reached the point of my retirement from the Military. This September will be my first month of civilian life in a LONG time. Thanks for instilling in me the right mix of traits and emotional life skills that enabled me to get this far. You and mom did awesome! If you have a moment in June; take a look into my ceremony, I think you will like it.

“ Dad - Well I have reached the point of retirement. My day is coming this September! I am nervous, anxious, excited and READY! Thanks for all that you instilled in me growing up. I never would have made it if I didn't have that upbringing that you and Mom gave us all. If you are not busy around June timeframe; please take a look into the retirement ceremony. I think you will enjoy it.

Miss you dearly! You would be so proud of your grandchildren A, B & S!! They are all so individual and I see you in a lot of their mannerisms.
