“ Wishing you peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your hearts

David could dance all night long he was very good at two stepping back when there was good Country Music to dance to in 1981. Jim Shoulders showed up one night and David got on one side of him and I got on the other side and had our picture made with him.

May you blaze your trail of glory David.

“ *I enjoyed many, many trail rides with David, as well as many camping trips. I guess Devils Den will be where I remember riding with him most. God Bless David. You will be remembered.*

“ We met David at Devils Den and formed a quick friendship. He had Trixie his Heeler and he told us she would rip anyone to pieces that came near his trailer he bet me if she didn't he would give me his truck trailer and horse. Well one day I went to day use to ride and noticed he was camping alone. When my ride was over I got a little worried cause it didn't look like he had been out of his trailer, so I (very nervous) knocked on his door I wanted to make sure he was ok. He opened the door and Trixie came charging out And ... licked me to pieces! Lol!!! I looked at David and said well I know own a beautiful palomino and a truck and trailer. I would always remind him of this. We would laugh. I will miss David. He was very knowledgeable about the trails at Devils Den.
