“ *Debbie, you will be missed greatly! Your smile would light up the room. You were always so concerned about other people and I admired that about you! I remember when your girls came to see you at the lab and you were so proud and showing them off to everyone! The grandbabies that came into your life were your pride and joy as well! Thank you for sharing your life with me. I still have my "canning tips" you gave me! I'm so sorry for your family's loss, and we will miss you at the lab as well! Only Jesus knows the reasons why He needed you so soon! Until we meet again! RIP*

“ *Mrs. Sisco was like a mother to me. I grew up with Katy Jo during our High School days so I was with the family nearly every weekend and we was usually at a rodeo. I haven't talked or seen her for many years but I did enjoy seeing family photos on Facebook. I will miss you. Until we meet again, dance like the wind on those beautiful streets of gold. ❤️*

I will continue praying for all the family and friends through this time. I know this will be a time of celebration because of Mrs. Sisco's faith in Jesus Christ. Through Christ Jesus, her spirit lives in heaven above. 🙏

“ To all of Debbie's family,

We are so sorry and so sad to hear about Debbie's passing. She always remained as "family" to all of us. Mom really loved Debbie as well. We are very proud of all of you girls, the grandchildren and great grandchild. We know it will be so very lonely for you all. As you travel back to your homes with your families, just remember you are not leaving your mom as she is in a far better place with no pain or suffering, but you are taking with you all the memories of her to cherish. Chandra, as you remain the closest in location to where your mom lived, you will need to reach out to your sisters and stay in close touch with them. You all can get through this but only with each others support. We love you all dearly and always treasure the memories of our lives with you all and your mom.

To Ms. Brown and family, we send our love and prayers.

Much love and prayer,

Aunts: Carolyn, Marilyn, Geneva, Brenda, Vickie and the rest of the family.
