“ I'm deeply saddened by the loss of my Aunt Deb. I am so happy I was home and able to see her one last time since I live so far away. I will a lot ways see her smiling and laughing at our get togethers at grandmas during the holidays. And always giving her a hard time about her dogs wearing diapers. She meant so much to our family. And I as always the life of the family get togethers. She will be missed but more so she will be remembered and celebrated in the hearts of everyone she touched! I love you Aunt Deb and miss you, Brit !
