“ Your Mom was a very special lady to me and I think to anybody who knew her. We had some great times together, even when she could'nt remember my name. She was always such a pleasure and encouragement to be with. She loved God, her family and was such an inspiration to all of us. She told me she longed to be with her Lord, she just dreaded what was inbetween, she didn't want to be in pain. She is now free of worry and free to sing and praise God forever and forever.
