“ I met Bill my first day of work at Heekin Can. He took me under his wing I guess you could say, and taught me how to operate a forklift. We worked side by side on third shift for over 4 years together. Bill became one of my best friends, and even joined me and my first wife in matrimony. He always put a smile on my face every time I'd see his. Going to miss you Bill, but I know I'll see that big smile again one day, so until then I know my dad will be in great company in that beautiful kingdom!  
Rest In Peace my friend... my Brother!  
Love you Bill

“ *Pete and I were very saddened by the passing of our dear friend, Billy jo. We loved him and his family as if we were brothers and sisters, which we were in the family of Christ. We are keeping the entire family in our thoughts and prayers, asking God to give you all comfort and peace as you go through this journey of life. We will always have Bill in our hearts, minds, and memories. He is never far from our thoughts. We have been great friends for many years. His biological girls ,Carrie, Sheri, and Jackie were to us as our own children. We spent many days and nights with Billy Jo and his family for many years.*

*Loved his mom and dad, brothers, sisters, and all of the family members. We have been through a lot together during all these years. When Bill and Lou married, we did spend some time together visiting. Then we moved to Newton County and didn't get to see much of each other. We spent some times with Bill and Lou, listening to singing, music, and attending his music theater on the hill. Bill will be missed very much. We are so glad we got to go by and visit with Bill and Lou just a few weeks ago. May God wrap you all in his arms and give you strength and courage. We will meet again some day soon. Prayers and much love for you all.*

“ I thought the world of Brother Bill. Always enjoyed being around him whether we were singing or preaching together. I'll never forget the time he asked me if I'd like to go with him to Houston Tx, to preach a revival at an all black church. I nervously said yes, nervous in the fact that I didn't know if I had what it took to preach in a church where the people knew how to get excited, the old fashioned way, knew what it meant to get happy in the Lord, in the old time way. As it turned out, I've never felt more welcome, more love, more excited, or more like preaching, before or even since those nights I spent with Brother Bill in Houston Texas, at Bro. Berry's Church. Had the time of my life!!! We'll sing and shout together again My Brother!!

We will miss Bill Williams , he was a friend to many folk in Northwest Arkansas and outside the state of Arkansas, we always enjoyed the singing on the hill , whenever we were close Emily & I would stop in for church service and Bill would always ask Emily to sing before the congregation, Bill Williams will definitely be missed by his family and all his friends, I can only imagine how he is celebrating in heaven with all his family and friends that has gone on before him, we will meet again one day my good friend.
