“ I am so sad about Diane. I loved her like family. Ever since I was a kid, my grandpa would mow the lawn at our church and go to One Stop for coffee. When I worked at Withrow Springs as a lifeguard for 5 summers, I got to see her every day. No matter how long it had been between visits, she was one of those people who made you feel like you were special. I am so thankful that I had the blessing of knowing her. My heart goes out to her sweet family and prayers that they will be comforted in knowing that families are forever.
