“ I was saddened to hear of the passing of Don. He was a fine man with a good heart. I enjoyed the Bumgarner family. Bruce played high school football for me and was an outstanding lineman during the mid-seventies at Huntsville. He enjoyed the support of a fine family. Don and his late wife, Mildred, were always there to support him. Our world is a little worse off without Don Bumgarner in it.

“ I was so sorry to read of Pastor Don's passing, but know that your Mom and Dad are now once again sharing their wonderful love. My parents (Jack and Delores Proctor) felt so blessed to have Don and Mildred as their dear friends and loved to reminisce about all their wonderful times spent together, through the years. Now the friends are all back together again. Prayers are being sent to all of the family.

“ Your mom was my 6th grade teacher back in 1982. She was an angel. I had not heard of her passing till I read your father's obituary. I am a 4th grade teacher and think of her often. My favorite memory of her was when a classmate decided to put my coat on his head. He tied it up tight around his face. Your mom said, "You look like ET with that on your head." We thought she was the coolest teacher ever. She talked about her family with great love--- I'm sure she was standing at the gates with a beautiful smile waiting on your dad. Please know that I am praying for you all during this time.
