“ Janice, I was shocked and saddened to hear of Don's passing. Looking back, I think Don was one of the first people I had dealings with when I moved to Huntsville back in 1981. Since then, we have worked together on many projects and served together on many boards and community projects. He was a great worker, was always very dependable, and very civic minded. His presence will be greatly missed for many years to come. You have my deepest condolences. Randy Ridgway

“ *Janice and family,*

We were so sorry to hear about Don's passing. He was a good man. Always had a smile. I know you all will miss him alot. But we live with hope because of Jesus that we will see him again. We will not be able to make the service because we are out of state. Please know that we are thinking of you and praying for God's peace and strength.
