“ Donna and I exchanged Christmas cards every year for so many years. We often made plans to meet up in Springdale, and regretfully did not do so. I shall never forget this most wonderful woman. She was part of my Wichita, Ks life and later Springdale Ar. A kinder more loving person does not exist. When you attain my age those you cherish and love remain entrusted in your heart. For her husband Dale and her children, may you be comforted, and God grant you peace. My thoughts and love be with you and to dear Donna , I will always think of you with love. Your friend Natalie
