“ Peggy, I am so sorry for the loss of your mother and also, I did not know Patrice had passed away. I remember going to your house to play while our folks played cards together. Your mom had picked strawberries that day and made us strawberry shortcake. I know you will miss her. You may have been too young to remember us. I have thought of W.T. and Doris many times over the years. You will be in our prayers. Donna Kay Hill Parson

“ Our family would like to send our deepest sympathy to Stan, Peggy, grandchildren and Maxey for the loss of Doris. I personally had not met her but spoke with her numerous times on the phone.

I know she had become a second Mom to my brother Maxey who thought so much of her. And the times she and I had spoke she truely thought alot of him.

She will be sadly missed and I know the mountain will not be the same without her.

If there is anything we can do, please do not hesitate to let us know.

Our love and prayers will continue to be with all of you in this time of grief.

*Love,
Jeff,Liz,Josh Leyes*
